

SREELAKSHMI S

PYTHON FULL STACK DEVELOPER

+91 8137866551 | sreelakshmis112001@gmail.com | Pandalam, Kerala | www.linkedin.com/in/sreelakshmi01

SUMMARY

Enthusiastic Junior Python Full Stack Developer with a solid foundation in front-end and back-end development. Skilled in Python and Django eager to contribute to dynamic web applications. Passionate about collaborating with teams, refining coding skills, and building efficient, scalable solutions in a growth-focused environment.

SKILLS

Programming Languages	Python
Frontend	HTML, CSS, JS, Bootstrap
Backend	Django
Databases	MySQL, MondoDB
Version Control	Git, Github
IDEs	PyCharm, VSCode
Design and Prototype	Figma, Canva

EXPERIENCE

Python Full Stack Developer Intern at SMEC Labs Oct 2024-Present

- Developed robust applications using Python, Django, JavaScript, HTML, CSS, and Bootstrap, ensuring smooth functionality and user-friendly interfaces.
- Optimized data management and enhanced UI features for improved application performance and seamless database integration with MySQL and MongoDB.
- Continuously expanding expertise in full-stack development, applying advanced skills in backend solutions and front-end technologies.

PROJECTS

NephroCare - Website

- Developed NephroCare, a healthcare platform for dialysis patients, using Django, REST API, and MySQL.
- Implemented doctor appointment booking, diet plans, medicine purchasing, and kidney donation awareness features.
- Designed a secure authentication system and optimized backend performance for seamless user interactions.
- Ensured scalability and maintainability by following best practices in full-stack development.

PlotPoint - Website

- Developed PlotPoint, an online book-selling platform with user authentication, cart, wishlist, and admin book management (CRUD).
- Built a scalable backend using Django, ensuring efficient data handling with MySQL.
- Implemented secure user authentication and session management, improving platform security and usability.
- Designed a structured database schema to handle book details, categories, and order processing.

School Fee Management Admin Panel

- Developed a School Fees Management Admin Panel with student management, fee categorization, and fee assignment using Django and MySQL.
- Implemented CRUD operations for managing students, fee categories, and payments, ensuring smooth data handling.

Passify - Mobile Application

- Passify, a mobile app for college students, simplifies bus pass management with booking, seat checks, and online payments. It's user friendly and offers profile customization.

EDUCATION

BTech in Computer Science and Engineering **2020-2024**

St. Joseph’s College of Engineering and Technology, Palai | KTU University

CGPA : 8.17

Higher Secondary Education

Class 12 **2018-2020**

Amrita Vidyalayam, Pandalam | CBSE | Science

Score : 89%

Class 10 **2018**

Amrita Vidyalayam, Pandalam | CBSE

Score : 94%
